*Dear Valued Customer,*

*As always, we want to thank you for another great summer, with the busy lake season coming to an end, we are preparing for the winter months ahead..*

*The purpose of this letter is to encourage everyone to have their boats winterized. Other recommendations are to remove all food and trash off the boat, deflate any tubes, rafts etc., take any valuable items off of the boat, do not leave anything out in the open, and cover the boat if possible. Please take note of the attached winterization detail and cost sheet as some prices have gone up.*

*Thank you for your business.. Buzzard Roost Boat Dock hours of operation during the fall and winter months are as follows: CLOSED Sunday and Monday Open 9:30am to 3:00pm Tuesday - Saturday.*

*Notice: gate code changes with the new code will go out by email or text on our system, if you are not receiving text or email notices, please go to the web site [www.buzzardroostboatdock.com](http://www.buzzardroostboatdock.com) and update customer info so you will get notifications.*

*The boat dock will be closed over Thanksgiving, Christmas and New Years*

*Sincerely,*

Chuck Thitoff
